Unnamed rhymster is keyed up with tension

Dear Editor,
To that "taxpayer" voicing disgust, but no name, Forgive my refusal to

echo the same,
Your Music Town gripe is so flawed, sir or madam, I don't care if you signed it Anon or Adam.

the first to complain,
Having loved all my life a melodic refrain,
Sure, the Strawberry Festival gets things swinging,
But would that be the case if we heard no singing?

Lighten up, unnamed rhymster, you're keyed-up with tension.

Harmoniously,
Margaret Stapley,
Stouffville

Thanks for 50th anniversary

Dear Editor,
We wish to express our sincere thanks and appreciation to our many friends, neighbours and relatives who helped make our 50th Wedding Anniversary a memorable occasion at Vandorf Hall on Sunday, June 5.

Special thanks to Larry O'Connor MPP, Ila, Wesley UCW, Florence, Bev, Sharon, Ed and Margaret, Dave and Sheena, Verna and the Karrams, Reverends Bushell, Neufeld, Stotesbury, and Link, Marion and Elsie, Betty and Nora, Laura Mae, June, Jean and Lee, Ann, Helen and Tootsie and FEL, and many more helpers who carried out plans so well.

The cards, flowers, gifts, telegrams and phone calls were greatly appreciated. Thank you everyone. God Bless.

Stephen and Olive Komar

If you live here in Stouffville, you're foolish I fear.

To think we have music just once in a year. Music lack? Give your scoreboard another shot. This town is in tune, friend, believe it or not.

Were it not so, than I'd be

Most folks think we're quite musical from what I've heard,

Thus, your beef about paying is what is "absurd". Why so hungry to gnaw on this bone of contention?
