

Unionville artist to display wood carving

A Unionville artist will be holding an exhibition of her art work today from 1-4 p.m. at the Chapel Gallery in Bracebridge. Marilyn G. Campbell specializes in wood carving and totems in particu-

liar. Her interest in relationships between family members, spiritual and life forces evolve in her totems. "The simplicity and powerfulness of this type of

design best expresses my objective to achieve the essence and feeling of my subject matter," said Campbell. The exhibition will include totems, the tallest being eight feet tall,

acrylic paintings and canvas floor pieces. The exhibition will continue on Saturdays until Jan. 30.
