## Look both ways

Todd Stover looks both ways before crossing Hwy 47, north of Stouffville, on his snowmobile after the snowstorm on Wednesday afternoon.

## Program for parents

Many parents need advice on how to guide their children on the pressures of growing up. The William Berczy Public School Parent Teacher Liaison Group is sponsoring a program entitled Helping Our Children Grow on Jan. 18.

The program is designed to give parents specific ideas on how to support their children in dealing with problems with peers and encourage confidence and responsibility.

Helping our Children Grow will be presented by Kathleen Tribe, president of Markham Corporate Resources.

The program will be held in the gymnasium of the William Berczy Public School at 7:30 p.m. All parents and teachers are welcome to attend.

## Market Village opens Phase II this week

Ushering in the Chinese New Year, Market Village is presenting Phase II.

Formerly six blocks of buildings, housing offices and retail components on 25 acres, Market Village has now combined four buildings under one roof at Steeles and Kennedy in Markham.

There will be everything from computers, to fashion, to pets and the only Chinese cinema north of College and Spadina. However, true to its philosophy of "East Meets West" many non-Asians have been lured by the unusual products and array of stores at the new shopping facility.

The grand opening to the public launches Saturday, Jan. 16, at 10:30 a.m. and continues through the Chinese New Year till the end of January.
