

# MP Attewell calls series of town hall meetings on crime

Community safety and crime prevention will be the focus of three public meetings planned next week by Markham Whitchurch-Stouffville MP Bill Attewell.

The town hall style meetings will include presentations by a group of expert panellists including York Regional Police deputy chief Bob Wilson and crown attorney Larry Owen.

After the panellists' speak, the floor will be opened up for questions.

"I have organized these three town hall meetings because

one of the main concerns of the people of Markham and Whitchurch-Stouffville is the urgent need for a safer community," explained Attewell.

ATTEWELL

Meetings are Tuesday, Feb. 23 at the Markham Civic Centre's Canada Room, and Wednesday, Feb. 24 at the Heintzman House in Thornhill. Both meetings run from 7:30 to 9:30 p.m.

The third meeting is Saturday, Feb. 27 at Stouffville's Parkview Village from 9:30 to 11:30 a.m.

One-Year Performance\*

Fidelity Growth America Fund was developed to give investors an edge in U.S. stock market

investing. And it is one of the fastest growing American equity funds in Canada.

Growth America Fund reflects the same principles that have made Fidelity Investments® North America's largest mutual fund manager—in-house research, personal assessment of target companies and technical resources

second to none. Look to this American performer to maximize growth for the foreign content portion\* of your RRSP contribution.

\*As at January 31, 1993. Eligible for RRSP up to the maximum portion allowed for foreign content investment, 18% for 1993.

The indicated rate of return is the historical annual compounded total return, including changes in unit value and reinvestment of all distributions, and does not take into account sales, redemption, distribution or optional charges payable by any security holder, which would have reduced returns.

Important information about Fidelity's mutual funds, including information about purchase options and applicable sales and transfer charges, is contained in the simplified prospectus. Please obtain a copy from your investment advisor and read it carefully before investing. The net asset value of securities and your investment return will fluctuate from time to time with market conditions.
