

Ice Breaker Enduro on Sunday

Mountain bikers from the Uxbridge and Stouffville area are getting set to bring in the spring at this Sunday's second annual Uxbridge Ice Breaker Enduro and Tour.

The tour, which begins at Durham Regional Rd. 21 and Concession 7, consists of a 25-kilometre loop for novices and a 50-km course for more advanced riders. It is intended for non-motorized bikes and adapted road bikes with thicker frames and lower gears than regular road bikes.

Event organizer and local competitive rider Eric Orschel says upwards of 150 cyclists are expected to take part in the fun competition, which would be 30 more than last year.

"Just how many riders we get will depend on the weather, of course," said Orschel. "We are trying to promote the fun aspect of mountain biking. It's not really a race per se, more like a fun mass participation event."

Orschel said another purpose of the event is to educate people as to the availability of trails for mountain bikers

in the Stouffville and Uxbridge area.

Part of the proceeds raised from the tour will be donated to the Canadian Diabetes Association, said Orschel.

Riders can register at the site from 8:30-9:30 a.m. The event begins at 10 a.m. There are to be draw prizes and food available. Registration is \$23. Call 852-5544 for further information.

Orschel said he is also organizing a fall mountain biking event, the first ever Durham Durango Enduro. "It will be a longer enduro, 70-80 km, plus a 40-km loop as well," said Orschel.

"It will be run on the conservation trails of the Oak Ridges Moraine. We're in the initial stages of planning the course with the conservation authorities. We're hoping to educate the public and cyclists as to the fragile nature of the trails so they can use them wisely, and to show that hikers and cyclists can see the multi use purposes of the trails."

Bantam Clippers down Betz Oldtimers

John McKinnon went on a scoring rampage, scoring three consecutive goals in the third period to give the Edwards Murphy Painting Bantam Clippers a 5-2

victory over the Betz Pools Oldtimers Saturday in a game that had all the appearances of a father-son contest.

Tim Smart and Roger McMann also scored for the Clippers, who trailed 2-1 going into the third period.

Betz' Bob McKinnon, John's father, opened the scoring from Frank Wildman in the first period. McMann tied it for the Clippers, before his dad Wayne restored the Betz lead, assisted by George Cowley and Bob McKinnon.

But the Betz squad ran out of gas in the third, with the Clippers scoring four unanswered goals to win it.
