**Student angered by rising crime**

Dear Editor,  
 There are thousands of crimes in Ontario every year. I am writing this letter to show people how angry people get.

I don't think I am the only person that thinks about this problem.

If I had one wish it would be to stop all the crimes, but I don't think I will get that wish.

So all I can do now is to get a group together and then we will go from there.

People will not listen to a 13-year old.

If just one person who cares

**Editor's Mail**

would listen to me, I will have done enough.

Every day in the newspaper I see killings, robberies, missing people reports and many more crimes.

For instance, the two boys in England who killed a two-year-old baby boy.

And what bothers me the

most is all the people getting killed in Ontario.

I heard that a store got robbed for 10 cartons of cigarettes and they shot the clerk and he died.

I think that is outrageous.

On Tuesday, March 3 they found a body in a snow drift. She was only in her 20s and only wearing a bathing suit and high heels.

I can't imagine how her parents feel and all the other families of victims.

The world will never be the same - it seems it will just keep getting worse!

**Religion notes; 'a great service' now in Wed. ed.**

Dear Editor,  
 Why have you discontinued the Church Page in the Weekender?

It was a great service to the community and one of the first things I read in the paper.

Even city dailies carry a church page.

Please bring it back.

Sincerely yours,

Frances Vague  
 Stouffville

*Editors Note: We haven't discontinued the church page - just moved it from the Weekender to our Wednesday edition - a paper which reaches more than 8,000 homes. We decided that relocating the church advertisements would allow people more time during the week to decide which special functions to attend.*

**NEWSLETTER**

Dear Valued Customers and Friends,  
 Well it looks like spring is just around the corner, I'd like to take this opportunity of saying thank you for making 1992 our 1st full year in business a success.

I'm hoping that this summer will be a real summer and that you'll enjoy some of the new recipes that we'll be introducing soon like Theakson's "Old Peculiar", and Samuel Smith's "Oat Meal Stout".

**NEW "FORMAT RECIPES"**

We'll also be using a new format for the recipes, one that will enable you to gauge the different bitterness factor, colour and mouth feel etc. for the various types of beer.

**NEW "CARBONIZING SYSTEM"**

Some of you are already aware of our new carbonizing system and although we are still fine tuning it, it appears to be working well.

**NEW "50 LITRE" KEGS**

We have also added to our list of features 50 litre kegs. Should you already have added or are considering adding a bar system in the future, please ask us during your next visit. Incidentally, we still have the 18 litre kegs for your party needs, remember

to book in advance.

**NEW "PHONE-IN" SERVICE**

Our phone-in service has proved to be a very popular feature, so remember if you can't make it in for whatever reason you can, just call it in and save the hour and a half brewing time.

Our 1992 crop wine juices are proving to be very popular, remember to get yours started so that it will be ready in time for your summer enjoyment, also consider starting your red wines soon so they can age properly for next Christmas i.e. full bouquet and body.

The MARKHAM BREWING CLUB will again be hosting an open house in the spring so try to keep 1 or 2 of your favourite brews hidden away for the occasion - keep tuned in for details.

If you have any requests or suggestions on how we can improve our service, please feel free to comment at any time. Thanks again for your support, we look forward to seeing you soon.
