Something for everyone at Freckles

It's hard to beat Freckles for beautiful and unusual gift ideas.

From charming ceramic ware and scented candles to old-fashioned painted wooden collectibles and fine pewter items, Freckles offers something for every taste and occasion.

"We're still doing our dried, custom-made wreaths," reported owner Sandra Stronach. Especially popular this year are the beautiful antique slate welcome signs with different designs on them, which are featured in the store.

"We have a lot of kitchen and bridal ware now, and we would definitely consider setting up a bridal registry if there is sufficient interest in the community," advised Stronach.

The store also offers a beautiful selection of greeting cards and elegant wrapping paper for all occasions.

This weekend, Freckles is participating in the Heart and Stroke Foundation's Spring Fashion Show and Luncheon, which takes place at Sleepy Hollow Country Club on Sunday, May 2.

"We will have a display of items

for sale at the show," Stronach said. Freckles is located at 6345 Main

Street, west of the post office in Stouffville.
