

Bouwmeister gets own radio gardening program

Local landscaper Gary Bouwmeister is breaking new ground this week as he launches a new radio program on CHIN Radio 1530 AM starting tonight. Bouwmeister, who carries on a 60-year, multi-generational family tradition and personal experience in landscaping and who has run Bouwmeister Landscaping for 13 years, will take to the airwaves tonight as co-host of the Bouwmeister and Bogart Garden Show. The Stouffville resident, who has earned two show awards and is a landscape architect graduate of the University of Guelph, shares the speaker with Nancy Bogart-Franzen, BLA in the new Garden and Landscape Design Talk Show. The show, which will discuss landscaping techniques and how it can be utilized to maximize the full potential of a homeowner's exterior, airs at 8:10 p.m., Tues. May 4 and will run for at least six weeks on the station. CHIN Radio is a multi-cultural stations and the Garden Show will be sponsored by the Chinese program network.
