

# Students to attend science workshop

**SPRING FLING**  
This year's Spring Fling, sponsored by Christ Church Anglican, takes place at Stouffville Place Mall parking lot on Saturday, May 15 from 9 a.m. to 3 p.m. With more than 30 families donating a vast variety of collectibles, ranging from surplus equipment and excess

furniture to lawn and garden needs, one-of-a-kind bargains are guaranteed. Barbecued goodies and refreshments will also be on sale. Half of the money raised from the event will be used to help support the activities of Christ Church.

## FESTIVAL TARGETS YOUTH

This year's Strawberry Festival committee is placing a strong emphasis on events for youth. Back by popular demand is the Teen Dance at the Legion Hall, with Allan Odle reprising his role as DJ for the evening. Billiard buffs get a chance to showcase their skills in the first Strawberry snooker shoot-off tournament, while the remote control car demo and contest provides a great forum for daredevil stunts. And there will be a host of sporting activities and events throughout the festival, including ball hockey, the Buttermaker's ball tournament, a soccer tournament, beach volleyball, swimming and tennis. The committee welcomes volunteers to help out at these events. For more information call Karen Galloway at 640-8485 or Bruno DeRocchis at 640-7050.

## STUDENT WORKSHOP

Four girls from Grade 7 at Summitview Public School were among those selected to take part in a science and technology program at Seneca College on May 13. Allison Bullock, Sara Giles, Brooke Maddock and Katie Morrison will participate in a series of workshops during the Spotlight on Girls in Science and Technology event. Students from Grades 7 and 8 throughout York Region will attend the program, which introduces them to female scientists and explores career options in the fields of science and technology. The keynote speaker for the day will be Dr. Anne McMillan, Air Quality Modeling Division, Atmospheric Environment Service.

## VOLUNTEER AWARDS

Seven local residents were honored for their work at the Ministry of Citizenship's Volunteer Service Awards April 22.
