\*VALID ONLY ON WEATHER MATE 'PS' & DEFENDER SRX+4

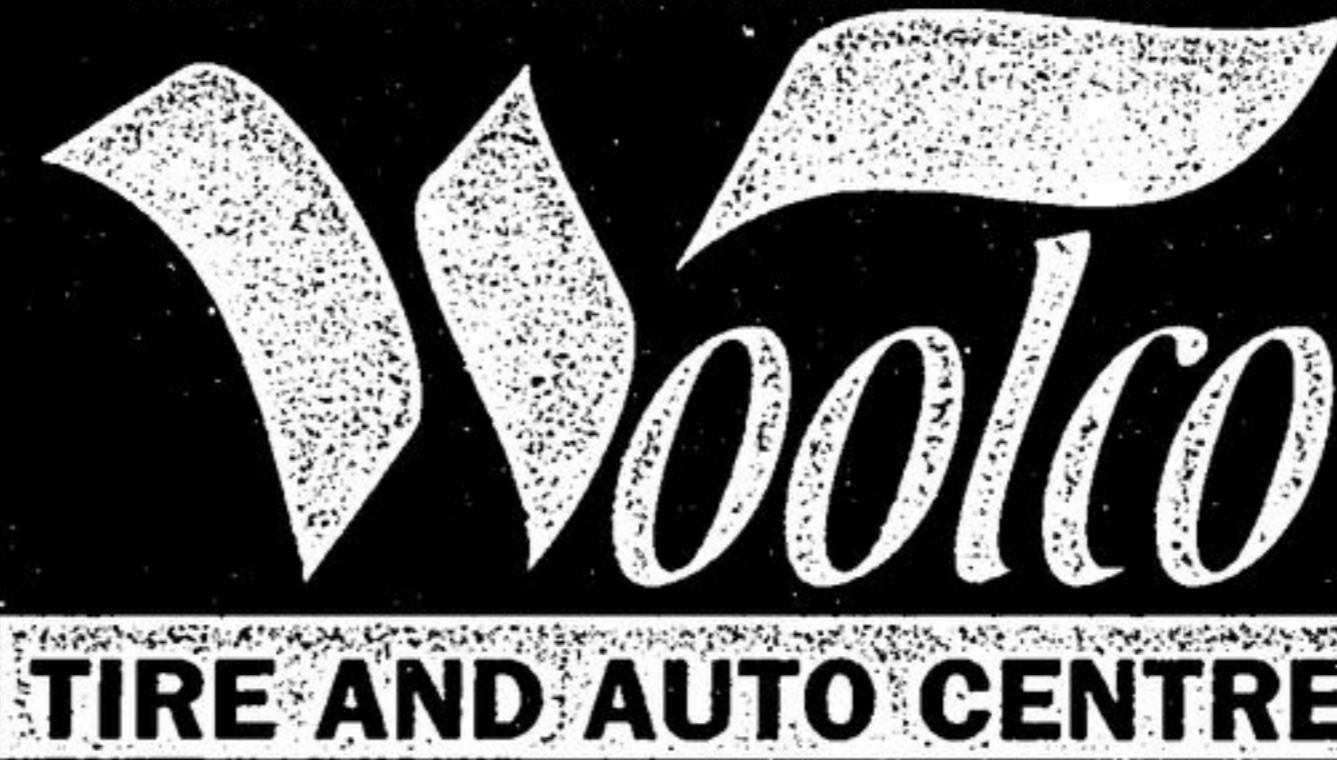

Service Manager's Signature

Date:

**Weathermate PS**

- Aggressive all-season tread for excellent traction in mud and snow
- Steel belted construction: flexible sidewalls, improved handling, solid road contact, low rolling resistance and better fuel economy
- Strong polyester cord body for a smooth, durable ride

**Defender SRX+4**

- Optimized Mould Design Technology for increased stability, handling and traction, even treadwear and long tire life
- S-speed rated for use at speeds up to 112 MPH
- Distinctive raised white and raised black lettering

Event starts Monday, May 17 and ends Saturday, May 22, 1993. (Sunday, May 23 where applicable.)
