# Good towns come in small packages

Dear Editor,  
Regarding our Vision 2021, I do hope that a lot of people turn out to give their opinions. I myself would hope that

Whitchurch-Stouffville does not grow too fast.

The more people you have, the more services you have to provide and the more taxes you have to pay.

Did you know there are some small municipalities in Ontario where the politicians outnumber the office staff?

You all know what happens when you get big government and large school boards - the employees run everything and they don't answer to anyone.

So, I think the smaller we can stay the better.

Let's have a better town, instead of a bigger one.

I still hope we never get the 'Big Pipe' (York-Durham Sewage System.) There are better ways to handle sewage.

## Firefighters thank car wash supporters

An open letter to the residents of Whitchurch-Stouffville,

The Whitchurch-Stouffville Firefighters would like to take this opportunity to thank everyone who contributed to, and supported our Annual Car Wash, held on Saturday, May 29, 1993.

Thanks to your support, our carwash, again this year, was a great success, and the money raised will be put back into the

community.

We would also like to apologize to those who were caught up in traffic which was caused by firefighters operating a toll in front of the firehall.

Once again, thanks for your kind support,

**Whitchurch-Stouffville

## Stouffville bike rodeo slated for Saturday morning

The sixth annual Stouffville Bike Rodeo is slated for this Saturday, June 12, at the Recreation Centre.

Sponsored by York Regional Police, the Stouffville Lions and Boyd's Sports, the event runs from 9 a.m. to noon.

The rodeo takes place inside on the Recreation Centre's arena floor.

Participants have a number of bicycle skills to perform in the six-event rodeo.

All youngsters taking part will receive a prize, and there will also be a draw for bike safety equipment prizes including helmets.
