Sponsors needed for Festival fireworks

STRAWBERRY FESTIVAL SEEKS SPONSORS A Strawberry Festival without fireworks? That's a strong possibility this year, with the need for fiscal restraint forcing cutbacks across the board.

The Strawberry Festival committee is appealing for corporate sponsorship to offset costs in all areas of the event, which is now gearing up for its ninth season.

The committee feels that spending a large portion of its budget on fireworks would be irresponsible in this tough economy, but would welcome inquiries from potential sponsors.

Festival dates for 1993 are June 30 to July 4. For more information about sponsorships, call Marcel Bossi at 640-6281.
