FOCUS ON BUSINESS

Shown above are some of the sitters with The Housesitters-Markham/Unionville/Stouffville: (back row, left to right) Lisa Hilliard, Lorraine O'Bonsawin, Janet Benn, J.T. Walters, Ron Beck, Charlie Tompkins; (front row, left to right) owner Sharon Cleverdon, Wanda Smith, Sherrin Mallinson, Eleanore Craig and Alan Craig.

The Housesitters: For total care when you're not there

For those times when you just can't be two places at once, The Housesitters is ready to take your place.

Whether you need periodic visits, or someone to live in your home while you are away, The Housesitters specializes in home security and pet or child/senior care, providing affordable, peace-of-mind service custom-tailored to your needs.

Since The Housesitters began in 1981, the company has expanded throughout Canada to include 27 franchises operating coast-to-coast. Serving Markham, Milliken, Unionville, Stouffville and surrounding areas, the Markham branch is owned by Sharon Cleverdon, a Markham resident since 1985.

Sitters will exercise and care for your pets in the familiar surroundings of their own home; they will water plants, bring mail into the house, care for your lawn and garden, maintain your swimming pool and generally give your home that "lived-in" look while you are away.

An unattended home is a prime target for burglars and vandals, and most insurance policies offer only limited coverage if the premises are not checked regularly while the owner is away. After all, plumbing, heating or electrical problems can cause extensive loss or damage if left undetected for long periods of time.

Also, many break-ins occur during publicized family events such as weddings and funerals. Why put yourself at-risk when The Housesitters is

ready to step in?

As for pets, Sharon points out they are usually much more content staying in their own home while their owner is away.

"Our sitters are experienced in pet care and will feed, exercise and play with your pets. From walking the dog, to changing the kitty litter, to cleaning the bird cage, The Housesitters can handle all your varied pet care needs," she said.

The sitters employed by the Markham branch of The Housesitters are area residents, many of them seniors or retirees who have had substantial experience with the responsibility of home ownership, pet care and child/senior care.

To ensure optimum service, every effort is made to have the same sitter assigned each time, since he or she already knows your particular needs.

Should any emergency occur, the sitters are trained to respond quickly. Pertinent information for each customer, including insurance company, veterinary, medical and other personal contacts are kept on file in The Housesitters computer system for speedy access.

Even if you are not travelling, The Housesitters offers a completely personalized range of services including residential cleaning, supervision of appliance repairmen or delivery personnel, and more.

For a free brochure, or to obtain further information about The Housesitters, please call or fax the Markham branch at 294-5425.
