IGA to open Sundays

As of September 11, IGA will be open for business on Sundays. The store hours will be 10 a.m. to 5 p.m.

"We prefer to stay closed (on Sundays)," said storeowner Phil Barker, "but due to competition moving into the area we're looking at opening up."

A Weston Produce Food Store will be opening its doors in the old Stouffville Place Mall, probably in late September. And the word is that negotiations are underway for a major food chain to move into the Summerfield Centre at the corner of Main St. and Elm Rd. With the added competition, Barker said IGA had no choice. "If our customers can't come to us on a Sunday, they have to go to our competition," he said.

FOCUS ON BUSINESS

Triple Play stocks an extensive selection of sportswear for children, youths and adults, size 2 and up. Shop now for the best selection in winter coats, advises shop owner Glenn Woods. The shop also carries an exciting selection of autographed memorabilia and sports cards.

Triple Play hits a homerun with sports enthusiasts

For a winning combination of sports clothing, cards and memorabilia, Triple Play in Stouffville is first in its league.

In business for six years, this little shop specializes in Starter and CCM clothing to fit children, youths and adults - at prices that are frequently 20 per cent below the competition.

Owner Glenn Woods has expanded the selection and size range of children's and youth's clothing he carries. Currently the shop features a large selection of winter coats, size 2 and up, including the very popular Leaf and Raptor designs.

He advises that now is the time to buy winter jackets - while it's still possible to get the team of your choice in the size required. "By the end of October, the choice is really limited," he said.

Triple Play carries a wide selection of hockey jerseys, both pro and reproductions, as well as sweats, T-shirts, polo shirts and approximately 300 different designs of hats. Also popular is the selection of old-style hockey jerseys (and baseball shirts), including a 1950's Leafs jersey, a 1940's Black Hawks reproduction or a 1920's New York Americans sweater.

Glenn says the sports memorabilia market has really taken off. In addition to signed photos of sports greats, Glenn has unearthed a fascinating variety of hard-to-find autographed items including: a basketball signed

by the American Dream Team, and another signed by Shaquille O'Neal; baseballs signed by the Blue Jays, as well as anyone from Ken Griffey Jr. to Joe DiMaggio; Leaf team sticks from '53, '57 and '67; game-used sticks by Leafs, including Doug Gilmour; Wendell Clark's game-used skates and gloves - and more.

There are 8" X 10" photos signed by Pavel Bure, Patrick Roy, Mario Lemieux, the Dream Team, Shaquille O'Neal, Alonzo Mourning, Bud, Magic, Jordan.... The list goes on!

Authenticity on newer autographed items is not a problem, since Glenn gets the items autographed himself.

Although Triple Play stocks most of the current collections of sports cards, Glenn specializes in the rare, harder-to-find cards which he discovers on his frequent trips around the United States.

In the business of buying as well as selling, Glenn will pay top dollar for cards that are in excellent condition, particularly those dated 1910 to 1971. If you're looking for a particular card from this era, chances are he's got it, (or he knows where to find it) - even the very valuable Mickey Mantle rookie card.

For great prices on good quality clothing, and a wide range of collectors' cards and memorabilia, Triple Play is a real winner!

Triple Play is located at 5758 Main St., Stouffville. Call 642-1900 for more information.
