

Fall in Fashion

A real class act!

PHOTO BY JASON WAIT

Jo-Anne's long hair was pulling her face down, so hair stylist Pat Meloche gave her a sleek, smooth short cut that creates an illusion of height and accentuates her features. To make her hair look healthy and shiny, she applied Redken Shades. Esthetician Marika Pelyvas gave Jo-Anne a professional daytime look with a very simple, light application. The tapestry blazer by VotreNom is also available at New Wave.

Jo-Anne Noella Diamond was treated to a new look for fall by New Wave Hair and Beauty Fashion, located in the Bridle Post of Unionville. The second winner of our Economist and Sun Fall Make-over Contest is a senior kindergarten teacher at Mother Teresa Separate School and a mother of three. She was looking for a flattering, professional look that's easy to maintain - and she got it! The experts at New Wave cut and colored her hair, and gave her a terrific daytime make-up application. Jo-Anne was thrilled with her new image - and it's easy to see why!
