QUOTES IN LETTERS FROM THE PARENTS TO MY FIRST SCHOOL

- "Over the last six months we've certainly learned how much you understand the 'care' aspect of daycare."
- "Without a doubt we're sure she will tangibly benefit later on in elementary school because of the head-start you're giving her now."
- "We are most impressed with the cleanliness, the brightness and the organization of "My First School", and can honestly say that we feel secure and totally at ease sending our son here."
- "Our son is especially proud of his achievements, including the crafts done on a daily basis, the story-times, the play times and of course his "triangle!"
- "We have found the environment at "My First School" to be positive and caring. Your program is well developed and geared to individual development."
- "She started going to bed a lot earlier at night too, since she enrolled; I think it's because of the increased socializing, learning and activity. (This is a definite plus!)"
- "We've also noticed how much "My First School" has helped stretch her vocabulary and improve pronunciation and ability to count and use numbers, as well as further develop her understanding of the concept of 'time'."
- "I would be pleased to provide a reference to any prospective parent. Please feel free to have them call me directly. Thank you once again."
- "Thank you for your clean, caring & educational program."

Whitchurch-Stouffville Recycling Group Announces THE RETURN OF THE

Driveway Give-Away

- Our 3rd Semi-Annual -
Saturday, October 22*
a Neighbourhood Sport - Everyone Wins!

Here's How to Play:

- 1) Collect those items from around the house you're not using anymore - you can't use them, but maybe somebody else can!
- 2) On Saturday morning, October 22*, place these items at the end of your driveway as you might for a yard sale - mark the items so people will know they're there for the taking.
- 3) Take a walk around your neighbourhood, see the spring flowers and birds, and see what other people have put out - maybe there's something there that you can use! If you can use something, it's yours (be sure it's marked as available).
- 4) While you're out walking, people will be looking at what you've left out - if you come home to an empty driveway, you can be happy that those unwanted things have found a home.
- 5) Congratulations! You've successfully participated in the second "R" - you've found neighbourhood way to Reuse; and how was the walk?

Make Every Week Waste Reduction Week!
