

Harry Bowes

Harry Bowes has declared his intention to remain for another three years as the Trustee on the York Region Board of Education Representing Whitchurch-Stouffville. His record in representing the educational and budgetary needs of the residents has been impeccable.

For information on his objectives, for arrangements for group meetings in the neighbourhoods and for offers of help in his campaign, please contact Harry at 905-640-3319.

# Waste Reduction Week on

It's Waste Reduction Week across Ontario, and the Whitchurch-Stouffville Recycling Group is again asking for our help in reducing, re-using and recycling.

The third semi-annual Driveway Give-away is being held this weekend, and it is a chance for residents in the midst of fall cleaning to dispose of unwanted items while reducing waste.

Just attach the accompanying tag to your items and place them at the end of your driveway on Saturday, Oct. 22. If it is raining, place the items out on Sunday, Oct. 23.

According to Cam Wallis at the WSRG, the Driveway Give-away can be a great way for the entire community to get involved in recycling.

The first step to participating is to leave your items at the end of your drive as you might for a yard sale.

Next, take a walk around the neighborhood.

## Driveway Give-Away

These items are free.  
Please help yourself.

They have been offered as part of the  
Whitchurch-Stouffville Recycling  
Group's Driveway Give-Away and  
Waste Reduction Week.

Thank you for making the  
Three Rs work.

Check to see what your neighbors have put out. If there is something you see

that you can use, help yourself. Make sure it is marked for the Driveway Give-away, however.

If you come home to an empty driveway, you can be happy that your items have found a new home, and are not in a landfill. You may even wind up with something you've been looking for.
