York Region

HIGHWAY No. 7 CORRIDOR STUDY PUBLIC INFORMATION MEETING

A regional study has been undertaken for the Highway No. 7 corridor between Highway No. 404 and Bayview Avenue. The purpose of the study is to identify emerging regional issues and their impacts, and define a regional planning context for future development proposals. The study deals with an overall concept rather than individual sites. A draft report has been prepared with the assistance of the Towns of Markham and Richmond Hill and the Ministry of Transportation.

Interested persons are invited to a Public Information Meeting to discuss the recommendations and implementation of the draft report:

Tuesday, January 3, 1995
7 p.m.
O.M.B. Hearing Room
Richmond Hill Municipal Offices
225 East Beaver Creek Road, Richmond Hill

The meeting will open at 7 p.m. with a brief presentation, followed by an opportunity for questions and comments. For more information or a copy of the recommendations in the draft report, please contact the York Region Planning Department at one of these numbers:

Telephone: (905) 895-1231 (905) 773-3004
