

# Newsmakers 1994

## Helene Johnson

Whitchurch-Stouffville Chamber of Council president Helene Johnson took a run at the Ward 6 council seat in the 1994 municipal election. She was a respectable second to Mark Kostandoff in a three person race.

Johnson, who served as chamber treasurer before being named president, threw her hat in the ring after attending the majority of council meetings over a two year period. She came to the conclusion that the confrontational approach which came to characterize

council wasn't bearing fruit and that a more businesslike tack should be taken.

As chamber president, Johnson petitioned council to consider making bed and breakfast operations legal in Whitchurch-Stouffville, arguing the establishments could help accommodate the increase in tourism which should accompany the heritage railway.

In addition to her Chamber position, Johnson, a mother of six, had various other interests in 1994. She was a member of the town's

Economic Development Railway Association, and Advisory Committee, the Historical Society and the York-Durham Heritage Secondary School.
