

Bowl for Big Brothers on today at Stouffville Bowling Centre

(From page 11)

"Having a Big Brother has made a big difference in Brandon's life. Around the same time he got involved in that, I enrolled him in Scouts and those guys are great as well. Since then he's improved a

lot in school and his self-confidence has really developed with a role model of a responsible, caring, fun-loving guy."

For Ross, too, the experience has been extremely positive. "Brandon loves to go fishing, but every once in a while I like to break away and do something different.

We play a bit of hockey in the yard in the winter and we sometimes just go for walks. If he comes out with my family, he fits right in." It's a program he would strongly recommend to other men who are interested in becoming Big Brothers. With a growing demand for its services,

the organization is always seeking more volunteers.

Today, the Stouffville Bowling Centre will host its annual fund-raiser, Bowl for a Boy, from 2 to 4 p.m. For information on the event, or to learn more about becoming a Big Brother, call 905-727-1251.
