Kudos to town on quick action in water crisis

Dear Editor,
 All too often, we hear complaints about the municipality and its staff.
 Well this time, we would like to compliment them on their prompt, efficient and friendly service.
 We own the Tim Hortons in Stouffville, and last week a water main burst on the road outside of our store.
 We did have to close our business down for a few hours, but the town staff were absolutely wonderful.
 Before 9 a.m., they coordinated Bell, Hydro, Consumers Gas and a contractor to repair the water main.
 They also directed traffic and informed our customers about the problem.
 They enabled us to deal with what we considered a minor disaster, with the least amount of grief.
 We would like to applaud them and thank them for a job well done!
