# Bhaduria letter issue will remain in public's mind

Dear Editor,  
Re: Jag Bhaduria's new threat.

Mr. Bhaduria has seen fit to threaten legal action against the media, as well as any or all of his constituents.

## Bhaduria's actions autocratic

Dear Editor,

MP Bhaduria, the "truly independent representative" of Markham Whitchurch-Stouffville!

Jag Bhaduria does not act like a Liberal, which he pretends to be. Now he wants to silence the media by "threatening" to take legal action. Mr. Bhaduria's way of thinking and attitude is more autocratic than democratic and he should not be able to represent people in any democracy!

E. von Enckevort, Stouffville

I find this a further revealing insight into the mindset of our MP. There may be a fine distinction in law between threatening to line people up and shoot them and wishing that someone else would do

so, but the intent was clear. I am still of the opinion that his letter to the school board

was written in a threatening tone and that it was a most unwise and irresponsible

action. I'm sure it will remain a big issue in voters' minds should Mr. Bhaduria

stand for re-election.

Blake Tufford  
Stouffville
