Crime

Gas station robbed

Over \$200 was stolen during a Saturday night gas station robbery. Two men entered the Petro Canada gas station on Woodbine Avenue near Stouffville Road at about 10:20 p.m. According to police reports, the men walked into the kiosk and approached the attendant on duty. While one acted as lookout, the other indicated there was a gun under his jacket and demanded all the money in the cash register. Police said the gas bar attendant handed over the entire cash float. Both men then fled on foot with approximately \$255. The duo ran northbound towards a marsh area. Once on scene, police canine units were able to track the pair for some distance before losing the trail. Police later recovered the cash drawer with a small amount of change. The first suspect is described as white, approximately 17 years old, six feet tall, 175 pounds, wearing a black sports cap, black ski jacket, black running shoes and white sweatshirt. The second suspect is also described as white, age 17, five foot eight inches tall, 150 pounds, wearing a black jacket, black pants and black knitted toque.
