Clean sweep for girls' teams

Stouffville teams swept to victory at the Brampton Canadettes Tournament the weekend of April 15-16.

The Angie's peewees got two goals from Laura Johnston, and a single from Alison Edward to give them a 3-2 win over Sarnia in the Peewee C title.

Deanne Hibbert second goal of the game in the second overtime period enabled the Action Signs bantams to a 2-1 win over Barrie in the Bantam B title match.

A long bouncing shot by Gillian Apps gave the Dean Myers atom girls rep team a 2-1 overtime win in the Atom A consolation championship.

The Angie's peewee crew started out with a 6-1 win over Hamilton,

before Jennifer Dupont recorded consecutive shut outs as the Stouffville squad blanked Durham and Connecticut by scores of 4-0 and 15-0 respectively. Angie's downed Chicago 4-2 in the semi finals.

Stouffville goals came from Michelle Dulude (4), Candice Miller (2), Kari Sandiford (6), Mandy Vandenberg, Lindsay Reid (2), Alison Edward (6), Jenn Deacon (4) and Laura Johnston (6).

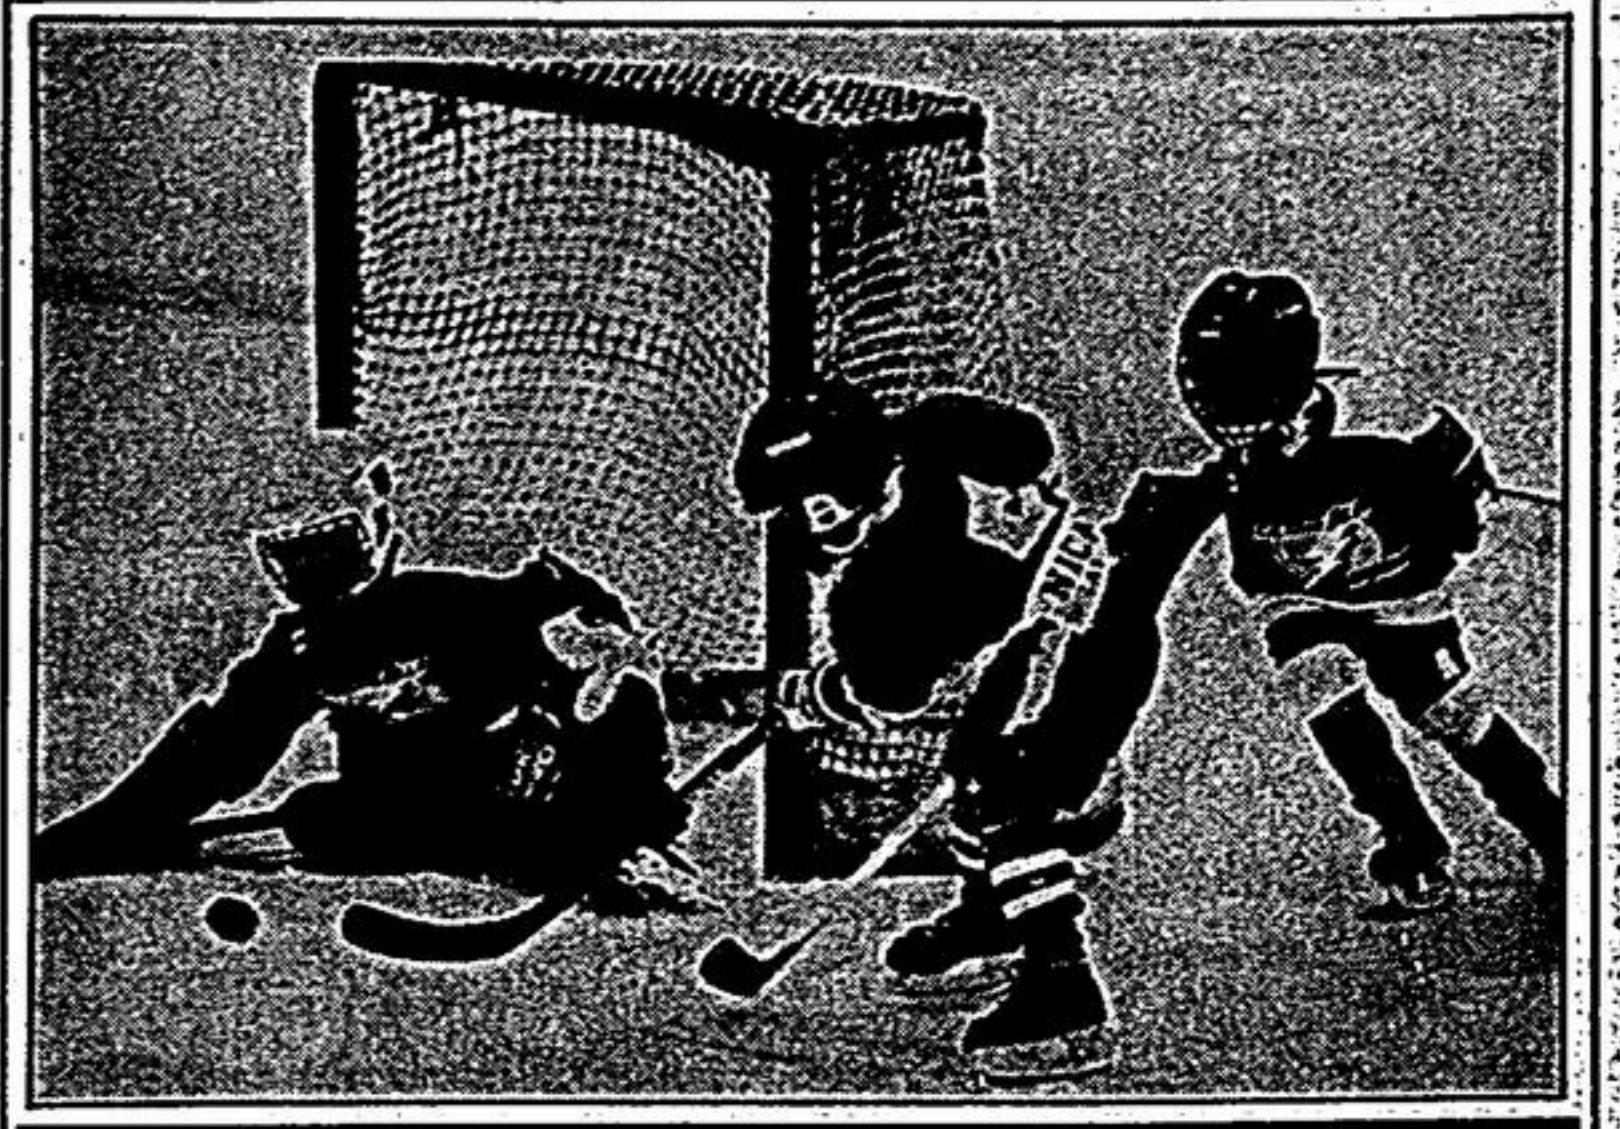

The Action Signs bantams tied Cobourg 1-1 in their opener. Cheryl Norton had back to back shutouts as Stouffville downed Hamilton 2-0 and Washington D.C. 8-0 in games two and three. Against Stoney Creek in the semi-finals, Kellie Cornell scored in a shoot out while Nor-

ton stopped all three opposition shots to give Stouffville a 2-1 win.

Cornell had four goals and four assists on the weekend, with other Action markers coming from Dawn Williamson (4), Dallas Heglund (4), Hibbert (3).

The Dean Myers atoms opened up with a 3-0 loss to the provincial championship Mississauga Chiefs, then stormed back to defeat Sarnia 3-0. Stouffville then edged the Michigan Capitals 2-1 before taking the consolation crown.

Julia Summerhill was outstanding in goal for Stouffville throughout the tournament. Stouffville goals came from Lisa Jacque (2), Emily Patriarche (2), Karlee Dudley and Katie Smith. The atoms won three tournaments during the 1994-95 season, while tying for first place in their league standings.

Markham Stouffville Hospital

Markham Stouffville Hospital extends its appreciation to all members of the Markham Stouffville Medical Association for their voluntary decision to perform elective services and surgery on April 17 and 28, 1995. For these two dates, the Ontario Medical Association had requested all physicians to reduce services, including non-emergency service to hospitals.

The recent decision by Markham and Stouffville physicians to provide medical services to our hospital supports our desire to maintain regular health care service to our patients. Their decision also ensures that our hospital and staff are not impacted by reduction of services.

Markham Stouffville Hospital recognizes that the physicians' decision to continue to provide medical service was a difficult one given the directive they have received from the Ontario Medical Association. On behalf of the Board of Directors, staff and patients of Markham Stouffville Hospital, we appreciate your support.

Marilyn J. Bruner, President & CEO
Richard A. Cohen, Chairman of the Board

LeRoy is dedicated to school athletic program

SPORTS NOTES

marrissa stapley

As a student, there are some teachers who you will always

remember because of their positive attitude, enthusiasm and sense of humor.

For any of the students at Stouffville District Secondary School who have ever been taught or coached by Sue LeRoy this is probably the case. LeRoy has been teaching at SDSS for ten years. Her duties include teaching physical education and teaching in the co-op program. She

is also in charge of the teaching assistants at SDSS, coaches teams such as midget girls volleyball and helps out with the Athletic Council.

LeRoy's positive attitude is apparent in everything she does. She is a firm believer in the power of an enthusiastic outlook, and believes that participating in sports and other activities is an integral part of developing self confidence, discipline and a well rounded perspective.

"Sports can be very rewarding. They teach kids about feeling good about themselves and about working with a team," she said.

LeRoy has had many memorable experiences in her years as a midget girls' volleyball coach at SDSS. This year her team opted to compete at the AAA level, although SDSS is only a AA-ranked team. The girls won the division, and showed exactly what SDSS is made of.

"That was a great accomplishment for the girls," LeRoy said. "I really like the midget age. They have excellent enthusiasm and a real 'go for broke' attitude."

LeRoy praises SDSS's many sports programs because they give every student the chance to participate.

"At SDSS we have a wide variety of team sports, as well as intramurals so kids can just go out and have fun," she said.

"These activities increase mental awareness and are important in developing a good attitude. Even if you're not an athlete, there's plenty of programs to get involved in."

LeRoy is also involved in the Co-operative Education Program at SDSS. Co-op provides students with the opportunity to get hands on experience in the workplace. The students are also required to keep logs of their hours on the job, and write journals about their activities.

A resident of Thornhill and mother of two, LeRoy has previously taught at King City SS, Alexander Mackenzie and Woodbridge SS. She ended up at SDSS after a friend informed her of the job. She enjoys working at a small school and appreciates the close knit environment.

In addition to her enthusiastic approach to school life, LeRoy is famous for her hilarious speeches at Annual Athletic Banquets, and can always be counted on to share her most humorous moments, whether they are about her teams, her classes, the staff or herself.

Throughout her years at SDSS, LeRoy has taught the importance of teamwork, enthusiasm and self discipline. She has helped to make SDSS a better place to be, and hopefully will continue to do so for many years.
