

Torch run enters Stouffville

They'll be running through Stouffville in support of the Special Olympics next month.

The Ontario Law Enforcement Torch Run is scheduled to head east along Main St. at 11:15 a.m. on June 8.

Over 7,000 runners representing police services and law enforcement agencies from across Ontario are to carry the

Torch of Hope through their jurisdiction as part of the giant fundraiser.

The 1994 run raised \$800,000 for the sport and athletic program for people with mental handicaps.

The event wraps up with a mass run into Toronto on June 9.

Those wishing to pledge funds can call Dave Archer at 841-5777.

Judo students make their mark

Members of the Sheffield Judo Club enjoyed great success in competitions during the past three weeks.

At the Tora Invitational Tournament in Brampton on April 29 and 30, the club picked up two golds, earned by Paige Goudis and Aartje Sheffield.

John Lee placed first in the 17 years 56kg division at the

Ontario High School Championships on May 5.

On May 6, the club cleaned up at the Kinchi-Sai open in Whitby. Achieving gold were Goudis, Devin Paynter, Dusty Chee-atow, Adam Howe and Tara Paynter.

Silver medals were earned by Jamie Hewlett, Kyle Chee-atow and Tammy Patterson.
