DONALD VICTOR STOREY
 MARCH 21, 19933 - MAY 20, 1994

DAD,
 It's impossible to believe it has been a year since you left us. I think of you so often, and sometimes, it's almost as if I can feel your presence.
 Very often people say to me "You're just like your father" ...that makes me so proud. You were such a great man, giving so much of your own time to others without ever expecting anything in return. You had such an ability to make people laugh. Your sense of humor so unique.
 Unfortunately, I regret some of the last years when we seemed to live such separate lives.
 Ironically, it was only a few days before your death that we agreed to make the best of the time we had left, however neither of us knew how little time we had.
 Seeing you so sick and suffering broke my heart. It is a relief knowing you are now at peace.
 Now it's me suffering...wishing I had done things I didn't...regretting some of the things I did.
 The one thing I wouldn't change though is the fact that I am your daughter...I Love You, Dad. I always have and I always will. Words cannot express how much I miss you.
 Sheryl Ann

In Memory of

card of thanks

Charlie and Betty Ann Graham and family wish to express their sincere appreciation and heartfelt thanks to friends and relations for their concerned understanding and caring via their loving messages, flowers and donations following the sudden death of their son Luke, on April 29th, 1995. Special thanks to Cheryl Priveit for writing this poem especially in Luke's memory.
 Something's brought a hush to town
 Today we lay a young man down
 He takes with him that smiling face
 And a lust for life we can't replace
 In his best blue jeans and baseball cap
 We're here today to send him back
 His life cut short to twenty years
 He touches us all, so many tears
 It's always hard to say good-bye
 It leaves you empty and wondering why
 I guess the good Lord had a different plan
 We'll miss you dearly, Luke Graham.
