

Standing ovation for show

(From page 1)

with Peter Pan staring wistfully after his erstwhile friends as they returned to reality, leaving behind them forever the boy who would not grow up.

The first half of the program featured a marvellous compilation of numbers, with both new and experienced students performing. Tap II, III and IV's upbeat interpretation of Achy Breaky Heart got things off to a spirited start, while the young students in Primary A and B Ballet charmed everyone with their performances in Little Fishes and Teddy

Bears' Picnic.

Miss Otis Regrets... a cautionary tale of love and revenge, was interpreted with poise and wit by Tap V, while the Youth Company's Jurassic Park was a highlight of the night, both in the quality of performance and the staging.

Moonlight Sonata, superbly performed by Intermediate Ballet students, provided an excellent conclusion to the first half of the evening. The standing ovation at the end of the show was a fitting tribute to this excellent company of dancers and their talented director.
