

# Firestone girls show progress

The Firestone squirt girls' softball team is showing promise despite a slow start.

The Firestone squad dropped its first two games of the season to Whitby and Newmarket, but then came on to defeat a tier two Markham outfit. After a loss at the hands of a tier one Markham crew, the Stouffville girls bounced back to rout Cobourg 24-1.

Andrea Meyer is the main pitcher, with catcher Meaghan Crowder and second baseman Joanne Crymble being groomed to pitch as well. Lindsay Hermanson has been solid at first base. Megan Bomberly has stood out at shortstop. Christy Braily patrols third base and catches, while swinging a hot bat. Outfielders Ashley Marshman, Tracey Hassard, Nicole Gray, Shannon Melrose, Lee Anne Hrabl and Bobby Radford have played well defensively.
