Babysitter course offered

For all those babysitters, aged 11 to 15 years, there will be an important course presented by the St. John Ambulance.

Emergency First Aid for Kids is a two-day program, July 19 to 20 from 1 to 4 p.m. The program will cover a range of skills and procedures including good skills to become aware of potential injuries.

For all people involved with children, the summer reading adventure is about to begin.

This year we have the Pagemaster's Challenge enticing children into the world of reading. 'Oops! That makes it sound so serious when in reality it's a lot of fun.

The Pagemaster's Challenge is like a giant game board, designed to be very flexible. Because part of the challenge takes place at home and because the program is open 9 a.m. to 8 p.m., Tuesday to Friday and 9 a.m. to 4 p.m. Saturdays, this program fits everybody's summer schedule.

To start the adventure children are given a paper character which is flown onto the first stage of the

game. At this point, the first challenge is given - to find a book about a particular theme. Before the character can move to the next step, the book must be read and the child reports back to the staff.

There are six steps in this program and each step challenges the child to find a book relating to a variety of themes. Characters are permitted one step per day, but you may wish to spread the fun out over the summer.

For more information drop into the library. The game begins July 4.

Legion donates \$1,000

When one member of Branch 459 of the Royal Canadian Legion stated that the local food bank was scraping the "bottom of the barrel", the local service group immediately approved a donation of \$1,000 this week.

More donations are expected. This donation brought to over \$15,000 the local branch has doled out this year. The branch also has been increasing its membership over the past six months, including Mayor Wayne Emmerson, who was admitted together with four others last month. Anyone who desires to belong to a dedicated group of men and women, are welcome to drop into the branch on Ninth Line for information and applications.
