640 Deaths

When a stone is dropped into a lake it quickly disappears from sight, but it's impact leaves behind a series of ripples that broaden and reach across the water. Although our time seems fast over, we'll catch your laughter in the rain drenched clover. Or when the sun warms our heart, close we'll be though far apart. May heavens light finally cling around the corner of your smile.

MATHIEU - Claude Victor Henri Beland
June 5, 1933 - July 26, 1995

Survived by son Claude-Emile Mathieu of Markham, daughter Lisa (Mathieu) Drew of Oshawa and 3 beloved grandchildren.
