## Summerfest '95 to raise money for Brainchild

Mount Joy Arena is the setting for the first annual Summerfest '95, a day (and night) of fun which includes a mixed bag of events geared for children, teenagers, and adults alike.

Organized by Brainchild, a non-profit group, proceeds from the event will help support the goal of assisting children with brain tumors and their families and to help fund research at Toronto Sick Children's Hospital.

"The corporate and local response for this event has been phenomenal," says Summerfest organizer, Frank Scarpitti. "Some of the main attractions for the kids will be the All Sport 3 on 3 basketball, sponsored by Pepsi and the Sega Games trailer but there are a number of other games and activities planned as well."

Indeed, in addition to appearances by Barney the Dinosaur, clowns, games and jumping castles, the event features the music of Tribal Son, The Simple Tones, Noth'n Fancy and a Caribbean Steel Band. The festivities continue into the evening with a beer garden, karaoke, a corn roast and for the adventuresome, hot air balloon rides will be available.

All this and more for only \$5 for adults and \$2 for children. The Mount Joy Arena is located on 16th Avenue just east of Markham Road.

## Gardiner's Duct Cleaning tackles dust, makes breathing easier

Dust can be more than just an annoyance if you don't do something about it.

Not only can it be a constant source of work-come cleaning time, but it can also irritate your eyes, throat and cause breathing problems.

That's why more and more residential, industrial and commercial customers are calling Gardiner's Duct Cleaning to tackle this problem head on.

Sam and his son Scott have been cleaning heating and air conditioning ducts for four years and they advise anyone who has not had them cleaned for a long time to get it done as soon as possible.

It's a procedure that takes very little time compared to the amount of time clients enjoy clean, dust-free air in their homes and it's further beneficial in that it reduces heating and cooling costs.

The large truck-mounted, 18HP vacuum unit shown in the photo above, packs more power for those tough jobs they encounter. Of course,

Sam still has the portable unit for those places the truck can't get to, such as townhouse complexes.

The procedure for both is simple. Sam first closes off vents and makes an opening in the main duct. Then, while the vacuum unit sucks air into a holding chamber, a hose is put into the upstairs vents, one at a time, and blows the dust and dirt into the downstairs unit.

They also use the air snake method which ensures ducts are completely rid of dust and debris. This method consists of a device being inserted into the ductwork while a mobile head reaches into every inch of duct work to dislodge dust and debris.

"Dust will not only affect your health but ruin furniture and draperies," says Sam. "Having your ducts cleaned cuts down on cleaning and adds life to your furniture, carpets and drapes."

Sam also provides chimney sweeping at competitive prices with service that is always friendly and courteous. Caps and screens are also available to keep out unwanted pets.

Presently, Gardiner's Duct Cleaning is offering an Early Fall Special featuring a hook-up for \$39.95 and a chimney sweeping for \$44.95.

Gardiner's Duct Cleaning provides an affordable, long-term solution to home dust build-up. For more information give Gardiner's Duct Cleaning a call at 416-282-3292.

Appointments are available seven days a week from 7 a.m. to 10 p.m.

Customers from Markham to Scarborough to Oshawa, have relied on their service and are now enjoying a healthy home environment. Isn't it time you did too?
