Markham Home & Renovation Show returns to Fair Grounds this fall

Ontario's largest regional home show marks its 13th year with a new name, and a new look. The Markham Home & Renovation Show returns to the Markham Fairgrounds, October 20, 21 and 22 and for the more than 50,000 visitors the event will showcase thousands of quality products for the home and family.

Since opening its doors in 1983, the Markham Home Show has continued to address the changing needs of families. This is reflected this year in the show's new name - The Markham Home & Renovation Show.

Current statistics show that in 1994, consumers in the Greater Toronto Area spent close to \$5 billion on home improvements and renovations. Recognizing this growing trend, the Markham Home & Renovation Show has expanded the very popular home improvement and renovation feature of the show.

The number of exhibiting companies has been increased to allow for a greater variety of products and services; another building has been incorporated in the home renovation theme and informative how-to seminars and demonstrations will be presented on Centre Stage.

Enhancing the renovation component of the show will provide consumers with an excellent opportunity to see new products on the market, compare products and take advantage of special home show prices.

One of the truly unique features of the Markham Home & Renovation Show is the theming. Visitors looking for home decor products need look no further than the two Home Decor and More buildings. Here, thousands of quality home decorating products are beautifully presented. Knowledgeable exhibitors offer valuable ideas for deco-

rating and color co-ordinating and will answer all your decorating questions.

For the very best in hand-crafted gifts and accessories, The Country Store has it all. Talented artisans proudly present a charming variety of items. Hand-turned pottery, children's toys, applique and embroidered pillows, decorating items, hand-knit sweaters, Christmas gifts and much more can all be found at the Country Store.

The Better Living Building offers health, fashion, finance, fitness, travel and more. This building provides visitors with an opportunity to discover and resource new products and services to enhance their home and family environment.

With over 300 exhibitors and thousands of quality products for the home

and family. The Markham Home & Renovation Show is truly one-of-a-kind. It is the perfect blend of town and country.

The Markham Home & Renovation Show takes place at the Markham Fair Grounds (located on McCowan Rd., six km. north of Hwy. #7), October 20 to 22.

For exhibitor information, contact Lynn McVey or Jean Hicks at 905-477-2677.
