Triathletes set to compete for title

By BRUCE STAPLEY
Correspondent

The kids will be swimming, cycling and running all over Bruce's Mill Conservation Area on Saturday as the Whitchurch-Stouffville Parks and Recreation Department plays host to the Kids of Steel Provincial Championships.

The event involves a triathlon and is run under the auspices of the Ontario Association of Triathletes, with the Kids of Steel being the junior arm of that body. Department spokesman Peter Arnott said upwards of 250 people between the ages of 7 and 18 will be coming to town for the event, which is to be run in five categories - 7 and 8, 9 and 10, 11 and 12, 13 and 14 and 15 through 18 years. The competition is one of around a dozen held annually in Ontario and other provinces. It has been running for about seven years.

With the enormous success of the annual Strawberry Festival Triathlon spurring them on, parks and rec officials put in a bid for this year's Kids of Steel event and were informed earlier this year that the town had been selected to host the 1995 version. It was held in Scarborough last year.

The triathlon is open to young people province-wide and Arnott is hoping to attract the attention of a large number of local athletes.

Distances to be covered vary according to age group. The 7 and 8 year olds will swim 50 metres, cycle from two to five kilometres, then run from 500 metres to a kilometre. The 15 and over's will swim 500 to 750m, cycle 15 to 30K and run up to 5K.

The races will get under way at 8:30 a.m., with the five categories running consecutively. Each division will hold its own awards ceremonies shortly after the conclusion of each individual race. The action should be completed by around 1:30 p.m., Arnott predicted.

Spectators are being welcomed and will only be required to pay the standard Bruce's Mill admission fee. Registration is \$20 for all categories. Entry forms are available at the Rec Centre. People interested in volunteering should contact Terry Neprily at 642-2613.
