AQUARIUS COATINGS is a quality manufacturer of performance coatings and specialty paints. We are currently recruiting to expand our team of professionals.

FOREMAN

You must be a "hands-on" team player with related work experience and demonstrated expertise in a paint/chemical manufacturing environment. Reporting to the Director of Product Engineering, your responsibilities will include the manufacturing of paint and related products, shipping/receiving, product testing, quality control and general warehouse duties.

PRODUCTION WORKERS

The successful candidates will assist the Foreman in the above-mentioned duties. Experience in operating forklifts and large mixing equipment with a paint/chemical manufacturer is preferred.

All candidates must be bondable. As well this fast-paced growth environment requires quick learners who can communicate effectively, both verbally and in writing.

Please send your resume to: Human Resources, Aquarius Coatings Inc., 4-30 Royal Crest Court, Markham, Ontario L3R 9W8; Fax: (905) 940-0874.

Only candidates to be interviewed will be contacted.
