Why destroy most peaceful land on earth?

Dear Editor,
To All Canadians In Quebec.
 Do you really no longer wish to part of the most friendly, diverse, peaceful and prosperous nation in the world?

I can't imagine any sane, thinking person could ever contemplate such a possibility.

I have visited your province, a number of times, and have encountered friendly, content individuals, who go about their various endeavors exactly the same as all other Canadians.

I do not wish to impose English language, laws or rules upon any citizen of Quebec.

For some unknown reason, your leaders are giving a false impression that the rest of Canada wish to dominate or force their will upon Quebecers. This is an absolute lie.

The provincial governments in every province, including Quebec, control their own Education System, Language, Natural Resources, Provincial Courts, Internal Transportation, Provincial Sales Tax, Hospitals, Rent Control, etc.

No one is trying to usurp any of your rights or privileges. Please

consider the advantages and prestige you would be surrendering if you no longer were able to call yourself a Canadian. This Canadian wants and needs a unified Canada, which emphatically includes all of you.

Doris Harvey
