# Musselman Lake business offers Not Just Pizza

By BRUCE STAPLEY  
Correspondent

Not Just Pizza lives up to its name with a menu that includes subs and sandwiches, appetizers, pasta, burgers and full dinners as well as a good selection of pizzas and toppings.

Located at 14635 Ninth Line at Musselman Lake, the restaurant offers eat-in as well as take-out facilities with a wide delivery area which encompasses Stouffville, Goodwood and Ballantrae.

Partners Tony Bertolone and Mike Kontziz both have solid restaurant experience.

"I managed a restaurant in Markham, I started through co-op and was made night and weekend manager while I went to school during the day," explained Bertolone.

When he heard the restaurant was available, he discussed it with Kontziz and the two decided to take it over. "It was a good location," said Bertolone, who lives in Markham.

To add character and warmth to the interior, the partners have painted the top half of the walls in hunter green, providing an attractive background for a series of classic framed movie posters, featuring such icons as Marilyn Monroe and James Dean.

With four people on staff at the restaurant and one, David LaPlante, handling delivery, things can get pretty hectic during peak times, said Bertolone. "It's a lot of work but it's enjoyable."

Appetizers include chicken wings, chicken fingers and garlic bread. Among the main menu items are souvlaki, veal cutlets, spaghetti and lasagna, hot dogs and burgers (including chicken burgers) and salads.

The restaurant is currently featuring specials for big eaters, with a choice of pizza, pizza with wings or spaghetti with garlic bread. Package orders include drinks. Winter hours are 4 to 10 p.m. Monday to Thursday, 4 to 11 p.m. Friday, 1 to 11 p.m. Saturday and 1 to 10 p.m. Sunday. To order, call 640-0000.

## MP taken to task for 'stereotype' comment

Dear Editor,

I am responding to your Jan. 27 article, 'Boundary changes official: Bhaduria' which caused me to sigh and shake my head in exasperation.

While I have no comment on the actual boundary changes planned for our riding, I am concerned with Mr. Bhaduria's archaic thinking. I believe in giving someone the benefit of the doubt but Mr. Bhaduria causes me much frustration. Did he really say, "it will revert to the

principle of one man, one vote?" Please, in these politically correct times, was Mr. Bhaduria ignoring the votes of the women in his riding? 'One man, one vote' is a slap in the face to any self-respecting female that has endured such exclusionary stereotypes. Mr. Bhaduria, how hot does the water have to be before you stop insulting the characters and intelligence of your constituents?

M.K. Leond,  
Stouffville.
