Neece Electrolysis - permanent hair removal in comfortable setting

Surrendering yourself to a day at a spa, doing something only for you - what could be more wonderful? At Neece Electrolysis in Unionville, owner Angela Martino, accommodates clients in her comfortable, chic setting. Her new, expanded location on Main Street allows for privacy and comfort. In addition, the immaculate and stylish setting is enhanced with floral accents and a soft pastel interior which is as soothing as Angela's demeanor. Electrolysis is the ideal way to remove unwanted hair and to treat yourself to a long-term solution to what can be a stubborn problem.

"The process is safe and discomfort minimal, she adds. A fine needle is inserted into the hair follicle, a minute amount of electrical current is applied to destroy the lower two-thirds of the follicle and cauterizing blood vessels which supply the nourishment to the hair, in order to stop further growth. "The most important thing to me is feeling comfortable during the procedure," says Neece Electrolysis client, Irene Muir. "Angela put me at ease from the first appointment.

She has a friendly and competent manner which I appreciate. She's a natural at running a business and really knows how to put her clients first. Angela and her assistant, Sheri Kurtz, are both certified specialists in electrolysis and have been practicing in their own businesses for numerous years. Needles used are disposable, Angela stresses. "Appointments" can be booked in 15-minute sessions and typically they are first made on a weekly basis with the frequency declining as the condition improves. In addition, for your convenience, an array of esthetic services are offered through Maquillage Esthetique Inc. which is connected to Neece Electrolysis to further pamper your face and body. Manicures, pedicures and facials are all provided by owner Karin Bauer and her team. "We all need to take some time to spend just on ourselves," Angela says. "Daily stresses take a physical toll on us. A day spent getting a professional treatment is not only a way to look your best but it's a great way to relax and soothe your body. Neece Electrolysis is located at 139 Main St. Unionville. To book an appointment call 905-946-8803.
