It was a tremendous season which ended Saturday, 27 April. The playoffs exemplified good teamwork and the hard work of the coaches who helped the players improve their hockey skills and to show sportsmanship and fair play. The season ended with a banquet of pizza and pop and the award presentation. A special thank you to Leslie Mabley for organizing the banquet.

The players wish to thank the coaches who provided leadership during the games and the parents who brought them to the games supporting them from the stands, tied their skates and raced home to fetch forgotten equipment.
