

# POWER SMART MONTH

## MAY IS POWER SMART MONTH

Your local electric utility and Ontario Hydro have been working with manufacturers and retailers and encouraging them to feature products that provide you with the things you value most - energy efficiency, increased comfort, convenience and safety. Many manufacturers and retailers are offering special value prices on these products right now.

Whether you're buying an air conditioner, dehumidifier, low voltage lighting, appliances, or other products for your home, make the most of the electricity you use. Look for the Power Smart signs when you visit your favourite retailer.

Do your Power Smart shopping now and get ready for a wonderful summer.
