Dust can be more than just an annoyance if you don't do something about it.

Not only can it be a constant source of work come cleaning time, but it can also irritate your eyes, throat and cause breathing problems.

That's why more and more residential, industrial and commercial customers are calling Gardiner's Duct Cleaning to tackle this problem head-on.

Sam and his son Scott have been cleaning heating and air conditioning ducts for five years and they advise anyone who has not had them cleaned for a long time to get it done as soon as possible.

It's a procedure that takes very little time compared to the amount of time clients enjoy clean, dust-free air in their homes and it's further beneficial in that it **reduces heating and cooling costs.**

The large, truck-mounted, 18HP vacuum unit shown in the photo below, packs more power for those tough jobs they encounter.

**The procedure is simple.** Sam first closes off vents and makes an opening in the main duct. Then, while the vacuum unit sucks air into a holding chamber, a hose is put into the

upstairs vents, one at a time, and blows the dust and dirt into the downstairs unit.

They also use the air snake method which ensures ducts are completely rid of dust and debris. This method consists of a device being inserted into the ductwork while a mobile head reaches into every inch of duct work to dislodge dust and debris.

"Dust will not only affect your health but ruin furniture and draperies," says Sam. "Having your ducts cleaned cuts down on cleaning and **adds life to your furniture, carpets and drapes.**"

Sam also provides chimney sweeping at competitive prices with service that is always friendly and courteous. Caps and screens are also available to keep out unwanted pets.

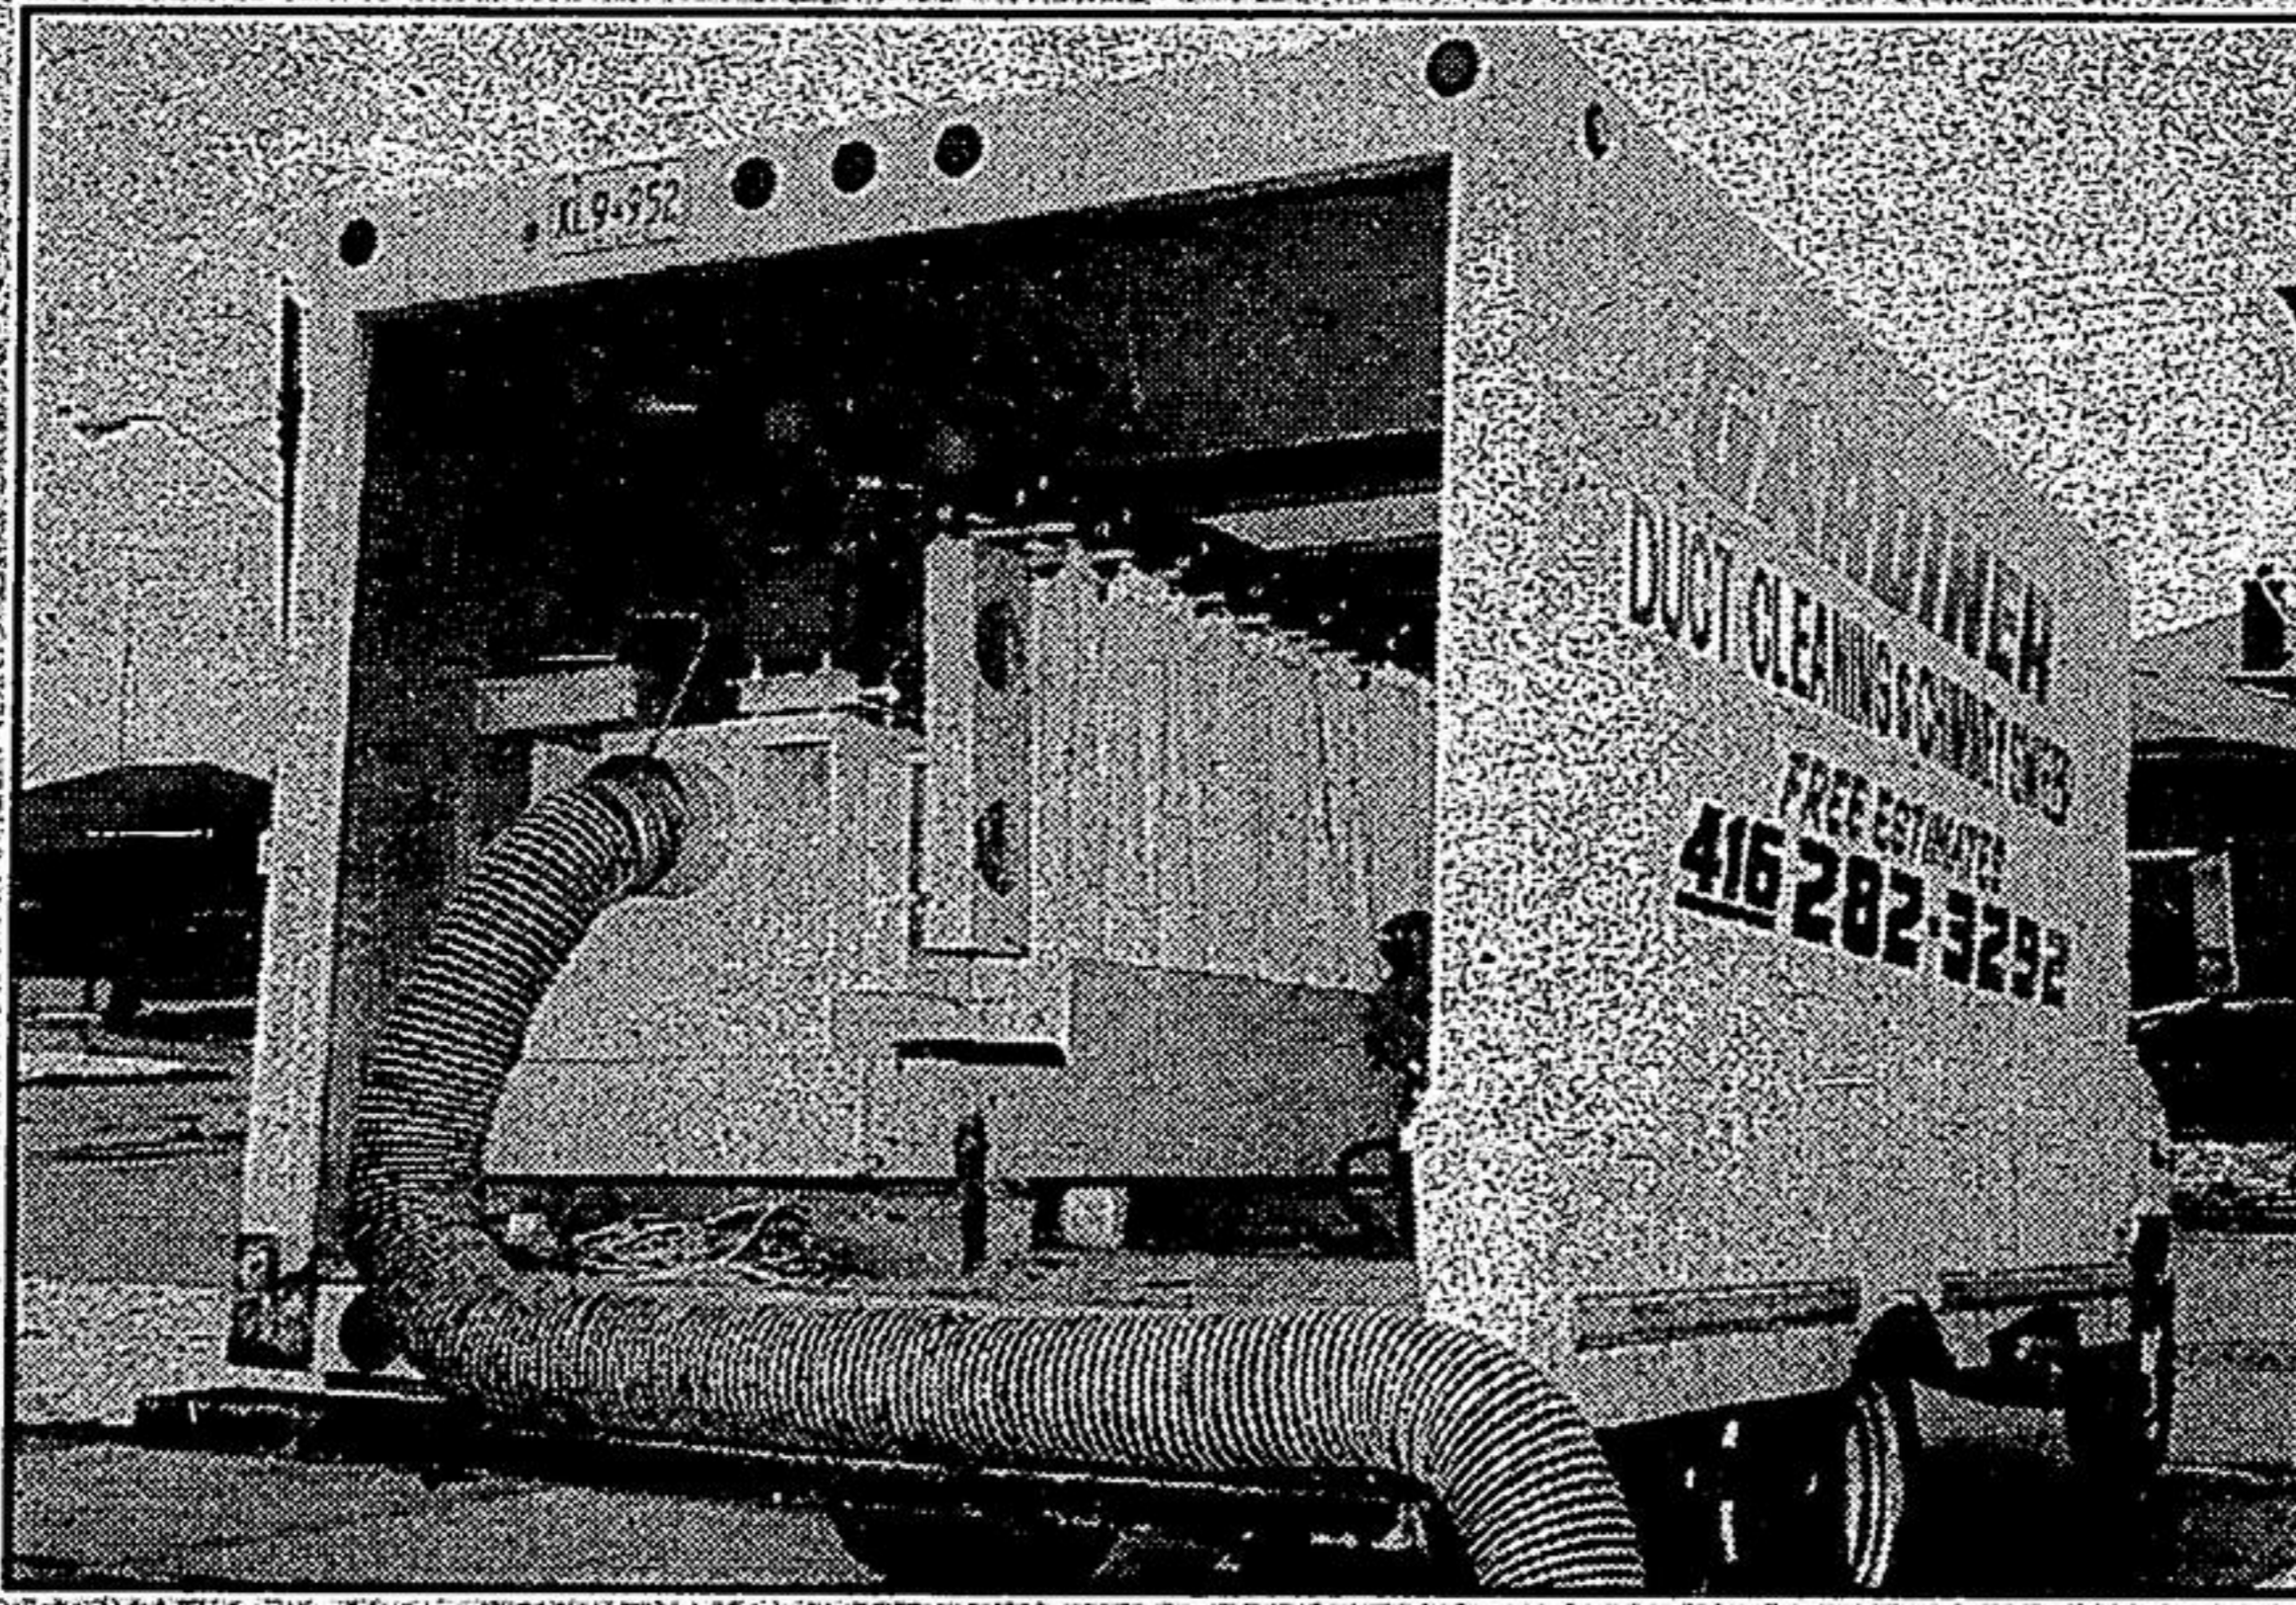

Presently, Gardiner's Duct Cleaning is offering a **Spring Special** featuring a hook-up for \$39.95, plus \$5.00 per vent, min. 12 vents and a chimney sweeping for \$49.95.

In addition, there are two new services available with the purchase of duct cleaning: **dryer duct cleaning** for only \$20 and **brick and stone fireplaces** cleaned with free estimates available on request.

Gardiner's Duct Cleaning provides an affordable, long-term solution to home dust build-up. **Deodorizing** is also available upon request. For more information, give Gardiner's Duct Cleaning a call at 416-282-3292.

Appointments are available, seven days a week from 7 a.m. to 10 p.m.

Customers from Markham to Scarborough to Oshawa, have relied on their service and are now enjoying a healthy home environment. Isn't it time you did too?

The truck-mounted unit is excellent for cleaning ducts in commercial, residential and industrial properties. The Spring Special includes a hook-up for \$39.95 plus \$5 per vent (min. 12 vents) and chimney sweeping service for \$49.95.
