With over 25 years in the travel industry, both as a travel consultant and college instructor, there are not many places that Nancy has not had the opportunity to visit.

An avid hiker, Nancy has made several trips to trek in the Rockies. She can recommend "hot spots" in Alaska. "Touring the rugged and majestic interior, I travelled through the Yukon up to Fairbanks, through Denali National Park to Anchorage," she says. "The trip was truly awe-inspiring". Her voyages afar include Europe, the Hawaiian Islands, and the Caribbean.
