## What should be done with Toogood Pond?

**Toogood Pond  
Sediment Removal and Restoration Project**

## Public Open House

Thursday, November 14, 1996

8:00-10:00 p.m.

Old Library Community Centre  
221 Library Lane, Unionville

The formation of ice for winter skating is becoming increasingly limited and potentially dangerous. The Town in partnership with the Rouge Park Alliance, Great Lakes Clean-up Fund, Remedial Action Plan, Metropolitan Toronto and Region Conservation Authority and the Ministry of Natural Resources is in the initial stages of reviewing options for its improvement. With your input, we will explore different designs to restore the pond, and means to improve the park's ecology and recreational opportunities.

**Presentation at 8:15 p.m.**

**Come out to the Open House, review some possible designs and give us your ideas on determining the most suitable plan for the pond.**

For information, contact Karen Boniface, Parks Planner at 477-7000 ext. 270, Mark Schollen, of Todhunter Schollen & Associates at (416) 364-9995, or Gord Weeden, Rouge Park Manager at (416) 28-ROUGE.
