

Midget girls tame Wildcats in a close contest

Jeannine Furze put on a display of outstanding goal-keeping and Kellie Cornell notched a pair of markers to lead the Sean's Esso midget A girls' hockey team to a 2-1 win over the Leaside Wildcats in a recent Rec Centre contest.

Kendra Zolnai and Maggie Treacy earned assists for the Stouffville squad, while Stephanie Allen and Dawn

Williams contributed to the win with great defensive work.

BANTAMS TIE ONE ON

Laura Johnston scored from Sarah Ivany with five minutes left in the game to give a A & S Construction Stars bantam A girls' hockey team a 1-1 tie with the Orangeville Sweethearts on the road Friday.

Following two periods of scoreless hockey, Orangeville scored on a screen shot midway through the third period, setting the stage for Johnston's clutch marker. Goalkeeper Jennifer Dupont came up with an outstanding performance to keep her team in the game. The Stars will head to Peterborough at the end of the month for their first tournament of the season.
