Woman charged in cheque case

An Aurora woman has been charged with fraud after she allegedly forged an acquaintance's signature on a \$9000 cheque.

The 37-year-old then deposited the cheque into her Stouffville account and went Christmas shopping, police say.

"She took \$2,000 and deposited \$7095.67," said Det. Frank Kovacs. "She then had 38 ATM and store receipts between Dec. 7 and Dec. 28."

He said the woman had been dating a man, who left the cheque at her place at the beginning of the month. When he realized she had deposited it, he called police.

The woman, who lives on Yonge St., has been charged with fraud, uttering a forged document, possession of stolen property over and theft over.

A Prayer for Children

O Thou kind Lord! These lovely children are the handiwork of the fingers of Thy might and the wondrous signs of Thy greatness. O God! Protect these children, graciously assist them to be educated and enable them to render service to the world of humanity. O God! These children are pearls, cause them to be nurtured within the shell of Thy loving-kindness.

Thou art the Bountiful, the All-Loving.
