Your future. Your community.

sales agents

At Allstate Insurance, our vision is simple - to revolutionize the delivery of insurance and related services by providing the tools and resources necessary to enable our agents and brokers to develop and sustain extraordinary relationships that give our customers 'peace of mind.'

We're looking for Sales Agents who are strongly focused on their community. You need not have insurance industry experience but, rather, a commitment to superior customer service. You're self-motivated, entrepreneurial and have strong communications and presentation skills. You are able to work a flexible schedule involving some weekends and evenings and, ideally, have a post-secondary education and previous sales experience.

If you have the ability, then we can offer you a unique opportunity as one of our multi-line sales professionals. We provide superior insurance products and a comprehensive two year development program that includes a guaranteed income. And all combine to start you off on a rewarding career that will lead you to setting up your own neighbourhood office.

We offer an attractive remuneration package and the opportunity to apply your abilities with an organization that values and rewards success. Please send your resume, in confidence, to: **Paul Gaffney or Ronya Brooks, One West Pearce, Suite 207, Richmond Hill, Ontario L4B 3K3. Fax: (905) 731-1508.** We thank all applicants for their interest, however, only those selected for an interview will be contacted. No agencies please.
