Lions Club offers thanks for Christmas campaign success

Dear Editor,
 Each year during the Christmas season, the Stouffville Lions Club along with the business community, donate food vouchers, food, toys and clothing to the needy families within the community.

There were a large number of sponsors this year, which helped by putting together food hampers, purchasing and wrapping gifts. They also donated monies collected from coffee funds and Christmas projects. This really eased the financial burden for us at the Stouffville Lions.

We had over 30 families to assist this year. This was up over last year by quite a bit. We would not have been able to complete our task without your help and that of the staff at *The Stouffville Tribune*. On behalf of those whose families were touched by your generous gifts, we say thank you.

On behalf of the Stouffville Lions Club, I truly thank you for your help and support in Sharing

Thank you

Dear Editor,
 The Whitchurch-Stouffville Museum was the recipient of a very generous gift, just in time for Christmas. As part of the company's "Supporting Community Activities Across Canada" program, Matsushita Electric of Canada Limited kindly donated a Panasonic VCR to the Museum. The Museum was informed of the gift in mid-December and the VCR arrived just after the Museum's Christmas closure. Staff and volunteers eagerly look forward to expanding exhibit and programming activities at the Museum to now include video presentations. The Museum already has two videos of its own: *The Barn Raising* which documents the construction and raising of the Museum's barn on site and *What's A Barrel Maker Called?* which illustrates the techniques and materials used in coopering.

The Museum would like to thank Matsushita Electric of Canada for its generous donation and commends the corporation for its policy of actively supporting community projects such as the educational program at the Whitchurch-Stouffville Museum.
