

Spartans serve up another title in Collingwood

The Stouffville District Secondary School Spartans junior girls' volleyball team is in repeat mode.

The Spartans were unstoppable as they successfully defended their title at the annual Collingwood tournament over the Feb. 1 weekend.

The Spartans went undefeated in three round robin sets before taking Barrie Central two straight in the quarter finals.

The Spartans dropped their only game of the tournament against Jean Vanier in the opener of the best of three semi-finals.

But they bounced back to win the second and third matches to advance to the championship final.

The Spartans took the title with a two-game sweep of the host Collingwood team.

Spartans coach Heather

Henricks called the tournament victory a total team effort, reserving special praise for players Alison Crowder, Danielle Timms and Stephanie McLeod.

"Alison was probably the most outstanding player of the entire tournament," said Henricks. "She was dominant as a middle hitter.

Danielle was great as a setter and Stephanie stood out at all three positions she played."

Henricks called the victory a test of endurance.

"They started at 2 p.m. and played straight through until 9

p.m. Every one of our 12 players contributed. They really started to jell."

The Spartans, who are eyeing a second straight York Region Athletic Association crown, have now won all three tournaments they've entered this season, having reigned victorious at St. Roberts

C.H.S. Dec. 7, and at Barrie Eastview Jan. 11.

The team sports a sparkling tournament record of 17 wins and just one loss.

The Spartans have seen victories and only one defeat in league play with three regular season dates remaining.

The senior Spartans played some of their best volleyball of the season at the Collingwood tournament, but were still ousted in the quarter finals.

- Bruce Stapley
