

# Sherban resigns post on pool committee

Dear Editor,  
Open letter to John Crawley  
Town of Whitchurch-Stouffville  
Park and Recreation Director.

After close deliberation with members of my pool advisory committee who have stood by me and supported me for the past two and one half years, it is with great regret that I ask you to remove my name from the list of candidates for the indoor pool feasibility committee.

As you are well aware, the accusations brought forward by the Mayor and certain Councillors have left a cloud of doubt hovering over my head as to my integrity, honesty and credibility.

The pool issue has been something that is close to my heart for a few years now, with the eventual coming of the GTA and downsizing of local government, it is in the utmost urgency that we place these vital recreational facilities within our present borders. It is only logical that once we are amalgamated with the larger municipal centres, facilities such as the

## Rottweiler posing threat to park goers

Dear Editor,  
Residents of York Region who frequent the Whitchurch-Stouffville Conservation Area and the Robinson Regional Forest should be on the alert for a dangerous Rottweiler dog that freely roams the parks.

I walk the trails daily, and have on three occasions in the past, had to defend myself and my family from attacks by this dog, a mature female.

On March 12, while my wife Barbara and 10-year-old niece were walking they were again viciously attacked by this dog. The family's two-year-old Chesapeake Bay Retriever Berkley while courageously defending their family, was badly bitten and required surgery to close wounds sustained in the attack.

The animal control department of Whitchurch-Stouffville, the Humane Society and Agriculture Canada Health and Animals are aware of the problem.

The owners of the dog who reside on Aurora Sideroad continue to defy warnings and the law which requires that their animal is contained at all times.

Newmarket

indoor pool will be impossible to obtain.

To the new indoor feasibility committee I would like to offer them all my best wishes and support, their endeavours will be reaped by both the young and old for years to come.

I only hope that they do not let the elements of negativism which sit on our council sway them from their endeavours.

In closing I would hope that

The Parks and Recreation Advisory Board let their better judgements guide them in their deliberations when it comes to the indoor pool issue. I know I have created some enemies on your board in

dealing with the politics of the community but what I have always attempted to do has been in the best interest of the community as a whole.

Susan R. Sherban  
Stouffville

**Wilfert chosen**

A Richmond Hill councillor will carry the Liberal banner in Oak Ridges in the next federal election.

Liberals including those from Stouffville picked Bryon Wilfert as their candidate on Sunday.

The 44-year old private school teacher defeated Dave Bishop at the nomination meeting which was held in Richmond Hill.
