V Care Cleaning Services staff are fully trained and hard working

Spring is finally upon us and with it comes the traditional spring cleaning fever.

Among the things to do this spring, Markham residents can continue to depend on reliable and quality services from V Care Inc, said owner Savio Vaz.

- The services include:
- auto interior cleaning
  - blind cleaning
  - carpet and upholstery cleaning
  - duct cleaning
  - drapery cleaning

Serving the Markham community since 1986, V Care Inc. takes pride in cleaning and satisfying their customers.

"Customer care starts from the initial contact through to the follow-up after cleaning," said owner Savio Vaz.

### Residue-Free cleaning

Due to the detergents applied externally during the cleaning process, the fabric or fibre remains cleaner for a longer period.

V Care staff are trained professionals and can answer any questions about their services.

"We keep abreast with new technologies as manufacturers' requirements change."

V Care Inc. uses the snake method to clean the ducts in people's home.

### Markham-area residents pleased with results

Markham resident

William Brigg had both his carpets and ducts cleaned in the beginning of February.

"They were timely. They came when they said they would come, they were efficient and they left everything in good order."

Unionville resident, Paul West has been using V Care's services for over four years and only has good things to say about the company.

"They have a good follow-up system, they do a good job, you can rely on what they say and they quote reasonable prices."

West says the staff is very accommodating, coming to his home when it is convenient for him.

"Frankly, they do a far better and cheaper job than you would do yourself."
