Reesor adds another title to his resume

By BRUCE STAPLEY
Correspondent

Relief.
That's what Jason Reesor felt when the final buzzer sounded giving his Guelph Gryphons their first ever University Cup triumph last week at Maple Leaf Gardens. The 20-year-old two-time Ontario champion

Stouffville Clipper was on the ice for the final shift of the game as the Gryphons hung on to edge the Atlantic champion New Brunswick Varsity Reds 4-3 in the national university final.

"It was just a relief," said Reesor, who played centre on one of the two lines the Gryphons used for the game's dying minutes.

"It was such a long couple of minutes. We had been talking about the national championship since day one of training camp."

Reesor played a major role as the Gryphons defeated the University of Toronto Blues in a best-of-three opening round playoff set to win their division, then prevailed against three other Ontario and Quebec teams in the single knock out Queen's Cup tournament.

The Gryphons eliminated York University in the University Cup semi-finals.

Reesor, who scored two goals in his team's come-from-behind 4-3 win over U of T in game two of their series, ended up with three goals and four assists in the trek to the national title.

"They're a good group of guys," Reesor said of his teammates. "We're really close."

Reesor, who joined the Gryphons in January, 1996, had nine goals and 20 assists in 26 regular schedule games this season while playing a regular shift,

as well as on the team's power play and penalty killing units.

The team had been national finalists twice before finally winning it all this year.

"We were a lot more focussed this year," he said of the 1996-97 Gryphons.

Reesor is in the second year of a Bachelor of Arts program at the University of Guelph, majoring in history.

He plans to rejoin the Gryphons for the 1997-98 campaign, and is considering playing in Europe for a few seasons after completing university.

Reesor was captain of the bantam Clippers team that won the Ontario Minor Hockey Association and Ontario Hockey Federation titles in 1991-92.

He then played for the Niagara Falls Thunder of the Ontario Hockey League for two seasons before leaving the team to join the Bowmanville Eagles of the Provincial Junior A Hockey League for the first half of the 1995-96 season.
